about the gallery

Founded in 1981 by Mrs. Araceli 'Chichi' Salas, Gallery Genesis has long stood as a pioneering force in the Philippine art scene. From its inception, the gallery has championed homegrown talent, helping elevate Filipino artists to both national prominence and international recognition.

For over four decades, Gallery Genesis has upheld an unwavering commitment to excellence — consistently curating and promoting only the finest examples of Philippine art. This high standard has made the gallery a trusted benchmark in the industry and a respected platform for discerning collectors and art enthusiasts alike.

Now in its 45th year, Gallery Genesis remains devoted to nurturing a new generation of creatives. Beyond celebrating established names, the gallery continues to provide opportunities for emerging and unknown artists to rise to their full potential. True to its name, it strives to be the genesis of future masters — uplifting Filipino artistry and enriching the cultural landscape for years to come. The gallery is currently located at the 2/F North Wing, Estancia Mall, Capitol Commons, Ortigas Center, Pasig City.

A watercolor illustration serves as the background for the text. It depicts a crowd of people, many holding colorful umbrellas in shades of red, green, and purple. In the background, there is a multi-story building with several windows. The overall style is soft and painterly, with visible brushstrokes and a muted color palette.

KULAY SA — TUBIG

Since its inception in 1983, Kulay sa Tubig has played a pivotal role in elevating watercolor to its rightful place as a respected and celebrated art form. At the time, watercolor was often dismissed as a secondary medium — used mainly for studies or drafts. But the founders of Gallery Genesis saw its true potential and set out to highlight its unique beauty: the luminous transparency, the finesse of every brushstroke, and the fluid, expressive movement of pigment.

At its core, Kulay sa Tubig was created to give unknown and emerging artists a platform — a rare opportunity to be seen, recognized, and celebrated. With a mission to promote genuine Filipino talent from across the country, the competition remains dedicated to discovering and uplifting artists who might otherwise go unnoticed.

Now in its 37th year, Kulay sa Tubig has become one of the most anticipated events in the Philippine art calendar. Each year, thousands of aspiring artists submit their work, hoping to secure a coveted spot. Only a select few make it through the rigorous pre-screening process to become official participants. These chosen artists then compete for the prestigious honor of being named one of the *Top 5 Philippine Watercolorists* — a title that, for many, represents the fulfillment of a lifelong dream.

More than just a competition, Kulay sa Tubig is a celebration of excellence, a showcase of authentic talent, and a continuing tribute to the depth, beauty, and promise of Filipino watercolor artistry. This year, the longest-running and most prestigious watercolor competition Grand Awards Night will be held on September 20, 2025 at the 2/F North Wing, Estancia Mall, Capitol Commons, Ortigas Center, Pasig City. Exhibit runs until October 27, 2025.
